Important Tips and Maintenance

AFTER OPENING

Re-roll your rug pile out for 24 hours to reduce curling. Regularly turn to ensure even wear.

WE RECOMMEND

A slip-resistant mat will help prevent slipping.

SETTLING IN

A small amount of fibre loss is normal. Don't pull loose fibres, just trim with scissors.

EASY CARE

Blot spills immediately with a clean, dry white cloth. Do not rub.

COLOUR CARE

If using cleaning products on your rug, test them first on an inconspicuous area for colour changes.

BE AWARE

Do not leave young children unsupervised.
