## Important Tips and Maintenance

### AFTER OPENING

Re-roll your rug pile out for 24 hours to reduce curling. Regularly turn to ensure even wear.

### WE RECOMMEND

A slip-resistant mat will help prevent slipping.

### SETTLING IN

A small amount of fibre loss is normal. Don't pull loose fibres, just trim with scissors.

### EASY CARE

Blot spills immediately with a clean, dry white cloth. Do not rub.

### COLOUR CARE

If using cleaning products on your rug, test them first on an inconspicuous area for colour changes.

### BE AWARE

Do not leave young children unsupervised.

Great job. You're done!
