

# Assembly Instructions

## Mio Kids Toy Storage Combination with 6 Boxes

1. Install the Kickboard: Attach the removable kickboard using the screws (A), flat washers (B), and spring washers (C). Secure it with the Allen wrench (D).

2. Connect Upper and Lower Sections: Use the connector plates (E) to join the upper and lower parts of the storage unit securely and fixed by self tapping screws(F).

Note: The kickboard installation is optional and can be done based on your preference.
