

## Warranty

Brilliant Lighting warrants this product against defects in manufacture and workmanship for a period of 12 months from date of purchase.

Warranty does not include damage or loss arising from incorrect installation, operation or maintenance of this product, damage caused through modification, or incorrect installation.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law.

You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

Any claim under this warranty must be made within 12 months of the date of purchase of the product.

Refer to our website [brilliantlighting.com.au](http://brilliantlighting.com.au) for terms and conditions and warranty claims.

This warranty is given by:

MADE IN CHINA

## Warning

1. To prevent injury, this apparatus must be separately attached to the wall in accordance with the installation instructions.
2. Indoor use only.
3. Please use the smart plug in a dry place. Please do not use in your bathroom or other places with moisture.
4. Please make sure the smart plug is not overloaded. Working power cannot be higher than the rated current.
5. If the smart plug is used to operate appliances intended for supervised use (eg heater), ensure that the appliance instructions are followed and the appliance is physically supervised whilst on. Do not allow any cables, furnishings, flammable materials or other items to come in contact with any surface of a heater.

## Disposal

Please dispose of this packaging and product thoughtfully once it has passed its useful life. When your smart device comes to the end of its life or you choose to update or upgrade it, please do not dispose of it with your normal household waste. Please recycle where facilities exist.

When disposing of this fitting, check with your local authority for suitable options.

## Troubleshooting

### *Problem:*

Smart device does not switch ON

### *Possible Cause*

No Mains Power

### *Suggested Solution*

Check connections, fuses and switches

### *Problem:*

Cannot link smart device with BrilliantSmart app

### *Possible Cause*

1. Modem signal weak
2. Router/modem/smart phone firewall is enabled
3. Internet connection is down
4. BrilliantSmart app not installed correctly

### *Suggested Solution*

- Place device and modem closer together
- Disable firewalls on all devices
- Contact your provider
- Remove app and re-install

## Connect to your WiFi

Ensure your mobile phone is connected to your 2.4GHz WiFi network.

Your mobile phone and smart device needs to be within 2 bar range of your WiFi router.

## Download the BrilliantSmart App

Please download the free BrilliantSmart app from the App store or Google Play store, or scan the QR code below.

## Register the BrilliantSmart App

Open the BrilliantSmart app.

For new users, register a new account or if existing user, login with your user name and password.

## Configure your BrilliantSmart App

### Setting up your Home

1. You can setup multiple homes or locations. Click **'Add Home'** button. Or Click on **'Home'** top left if you are adding or modifying details then **'Home Management'** to setup your home(s), add or rename rooms and share devices.

### Add your Smart WiFi Plug to your App

1. On initial power-on, the Power LED will begin blinking rapidly and be ready to pair (2 times per second). If the plug has not automatically started flashing, press and hold the manual control button for 5 seconds and release. Press button once again and now the red light will blink rapidly (2 times per second).
2. Open the BrilliantSmart App, tap **'Add Device'** (if empty room) or **'+'** to add your Smart Device.

- The app will Automatically scan for device's and once found will prompt **'Devices to be added: x'**. Select **'Go To Add'**.
- Verify your WiFi Network and Enter your WiFi Network Password. Select **'Next'**
- Connection will now begin. Once completed select **'NEXT'**.
- Once connected you will be prompt **'Added successfully'**. Select the room device is located. eg. **'Lounge'**. Select the pen icon to change the device name then select **'Done'**.
- The Smart Device can now be controlled by the BrilliantSmart App.
