

240V	35W max	GU10	IP65	CLASS I (1)
------	------------	------	------	-------------

- Modern architectural decorative wall light forms a beautiful accent light plus an ambient glow perfect for illuminating pillars, side of doors, windows, steps or paths, garages and more.
- Durable diecast aluminium construction with a hard wearing powdercoated finish.
- Crystal clear tempered glass lens allows a crisp clean light.
- Supplied and fitted with 4W energy saving GU10 LED globes that shed up to 300 lumens in a 3000K warm white colour temperature.
- An IP65 weather resistant rating signifies that they are designed for outdoor environments.
- 3-year warranty
- **Must be installed by a licensed electrician**
