General Instructions

- This product is for indoor use only.

Important Notes

- The product is fragile. Be careful during unpacking and installation;
- The product should be cleaned by standard detergents and soft cotton cloth. It is recommended that the product is cleaned with a soft, dry, non abrasive cloth.
- When working at heights, please use a suitable platform to work from.
- For new installations, check for any electrical cables or pipe work (gas/water) in the vicinity of the intended mounting point before proceeding with the installation.
- Ensure that the fixing location is able to take the weight of the complete fitting.
- Wear suitable eye protection when drilling. Be careful when using power tools near water.
- Do NOT strike mirror glass with hard or pointed items.
- Do NOT use cleaning unstandard agents or abrasive materials on any type of finished surface.
- Do NOT allow moisture to come into contact with the electrical components.
- Please turn off the power supply in storm days.
