Solidwood Dolce Dressing Table Stool

Hardware List

A=4

B=4

C=4

D=1

Step 1: Place the stool seat upside down on a flat, stable surface.

Step 2: Align the four legs with the pre-drilled holes in the stool seat.

Step 3: Insert the screws (A) through the spring washers (B) and flat washers (C).

Step 4: Attach each leg to the seat by inserting the screws (A) through the washers (B and C) into the pre-drilled holes.

Step 5: Use the Allen key (D) to securely tighten each screw (A). Ensure all four screws are equally tightened to stabilize the legs.
